## After School Clubs

Dear Parents,

As always, the children have been enthusiastically returning club letters all week and each one is quickly filling up!

As the deadline for paid clubs has now passed, this is just a short note to let you know that all of the children who have returned slips so far have been allocated a place in their club. Clubs will start next week and run until Friday 1<sup>st</sup> December.

At this moment, there are still some places available for nearly all of our clubs, so if you have not yet returned forms or written letters, there is still time! Remaining places will be filled on a first come, first served basis. Please speak with the school office or the relevant staff for each club to sign up. At the moment, the only fully subscribed club is Science Club.

A copy of the current clubs list can be found on our school website and is available from the school office.

For most clubs the children will just need their normal school P.E. kit, with the exception of football or rugby club, where the children may like to bring in their own suitable sportswear – something that may well get wet and muddy! For both of these clubs the children will need studded boots and long socks, whilst footballers will also need shin pads.

If you have any questions, please pop in and ask.

Yours sincerely,

R. Wallbank
