## Optional Tasks Linked to Our In Class Learning

Please choose and complete any of the activities below. We love to see any of these extra pieces of work!

Imagine you're a Roman. You could be an emperor, a soldier or someone else. Write a diary entry for one day in your life. What do you do? How do you feel? What do you see? Who do you meet?

Create an art pattern using mosaics. Research different patterns then create your own. Think about the colours and whether the pattern repeats.

Find some pictures of an ancient Roman monument. For example, the Colosseum in Rome. Create a picture, a 3D model or another piece of art to show the monument.

Become a Roman maths master and create a sheet of maths questions using Roman Numerals. Your friends in class can try them out!
