

YEAR 6

Homework Autumn 1

Tick off each activity once you have completed them.
Please ensure you continue to complete daily reading and times table practice.

READING

Complete one test in your CGP workbook to be handed in on a Wednesday and returned on a Friday.

SPAG

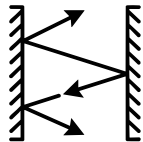

Complete one test in your CGP workbook to be handed in on a Wednesday and returned on a Friday.

MATHS

Complete one test in your CGP workbook to be handed in on a Wednesday and returned on a Friday.

SCIENCE

Make your own periscope to see how light reflects when there are different angles.

DT

Create your own pop-up picture. Think about how to add levers and pulleys to move your picture.

HISTORY

Make a timeline of the Benin era. Try to include the reign of the different Obas.

WRITING

Create your own poster to explain the difference between common nouns, proper nouns and verbs!

PE

Create your own simple netball practice activity that could help improve passing or shooting.

ART

Make your own Benin bronze using card, clay or any other material you have at home!
