

YEAR 4/5

Homework Autumn 1

Tick off each activity once you have completed them.
Please ensure you continue to complete daily reading and Numbots practice.

DT

Ingredients: brownie mix, red icing, chocolate, syrup, mini muffin pan

Prepare the brownie mix as directed on the package. Grease the cups in a mini-muffin pan or use mini-cupcake cases. Fill the cups in the pan 3/4 of the way full with brownie mix. Cook as directed on the package. Let the brownies cool in the pan. Once cooled remove them and place them on a plate upside down.

Top with red icing and drizzled chocolate syrup.

MATHS

Can you reach the top of the table of our Year 4/5 TTRS competition this half term?

MATHS

Can you find a number that is:

- Greater than 45,000
- Less than 46,000
- Has a 7 in the tens place
- Has a digit worth 300

SCIENCE

Make a poster or model on the theme of 'Earth and Beyond'. Use whatever materials you have available at home and bring your masterpiece into school.

ART

Using playdough or clay, create your own 3D natural disaster: a volcano, tsunami, tornado or earthquake.

READING

Read 3 stories with an adult.

Where is the story set?

Talk about the characters in each story, how are they feeling?

What was your favourite part of the story?

WRITING

Write a sentence about your family. What makes them special? What activities do you like doing with your family?

PE

Create your own tag rugby drill that will help you pass or catch a rugby ball.

ART

Katsushika Hokusai

He was a famous Japanese artist who was born in 1760. This piece is called 'Fuji, Mountains in Clear Weather'. Mount Fuji is a volcano and the highest mountain in Japan. Hokusai was fascinated by this place. Produce your own version of this painting. You can use paint, pencils, pastels, collage.
