

YEAR 6

Homework

Autumn 2

Tick off each activity once you have completed them. Please ensure you continue to complete daily reading and times table practice.

READING

Complete one test in your CGP workbook to handed in on a Wednesday and returned on a Friday.

SPAG

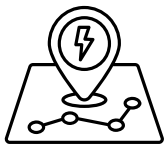

Complete one test in your CGP workbook to handed in on a Wednesday and returned on a Friday.

MATHS

Complete one test in your CGP workbook to handed in on a Wednesday and returned on a Friday.

SCIENCE

Electricity:
Create a map of your home. What uses electricity? Which materials are they made from?

DT

Make your own WW2 Anderson shelter using items at home. How sturdy can you make it?

HISTORY

Research what life was like for an evacuee during World War Two. What different experiences did they have to face? What images can you find of them?

WRITING

Write a biography about Winston Churchill. What interesting information can you discover about him?

PE

Gymnastics: Practise different jumps (pike, straddle, pencil, star) at home. What makes an effective jump? Research videos of famous gymnasts to help you master your own jumps!

ART

Silhouette art:
Create a piece of artwork inspired by the effects of a silhouette.
