PSHE lessons-(All year groups)

This term in PSHE, the children will be working on the 'growing and changing' unit. This unit covers vital teaching on making and maintaining healthy relationships with friends and family, as well as information about puberty and human reproduction at an appropriate age. As the children missed out on some of this unit of work last year, teaching will cover the units missed and those intended for this year. Please contact the school if you would like to discuss what your child will be learning about in more detail.

YEAR 5 MONDAYS AND FRIDAYS

YEAR 6 TUESDAYS AND THURSDAYS

During P.E. this term, our year 3 and 5 pupils have been enjoying a focus on net and ball games, with a particular focus on tennis. We have been lucky enough to have had the support of a wonderful tennis coach who has not only delivered some superb sessions to the children but has also allowed the teachers to develop their own understanding of teaching tennis by working alongside him.

If your child has particularly enjoyed playing tennis, you can head to the LTA (Lawn Tennis Association) website to find out more about local clubs offering coaching opportunities to children through the **LTA Youth Start** programme clubspark.lta.org.uk

Meanwhile, our year 4 and year 6 children have had a similar opportunity, focusing on striking and fielding, delivered through cricket. We have been joined by a fantastic cricket coach who has again worked alongside teachers to develop their understanding, but also to give the children a great experience of developing their own skills.

The ECB (English Cricket Board) also have a youth programme running, known as **All Stars**, so if your child is particularly enjoying their P.E. sessions, head to ecb.clubspark.uk/AllStars

ON BEHALF OF BISCOVEY NURSERY AND INFANTS ACADEMY
PLEASE FIND THE FOLLOWING INFORMATION.....

Nursery Starters - September 2021

We are delighted to inform you that we are now able to enrol children into our nursery sessions starting in September 2021.

Providing opportunities for our young children to socialise over the last 12 months has been extremely challenging and our children have missed out on many opportunities for this.

Socialising and mixing with friends and other adults form a key part of the early development for children. It allows them to explore and develop language and communication skills, supports them in building relationships and allows them to gain all the skills required to enter school as a confident and independent learner.

Our long-established nursery provision is led by experienced members of staff who can support your child in their early pre-school education. We are able to accept both 15 hour and 30 hour funded pupils and the office staff are very willing to discuss this with you. Please share this with any friends or family members who may be interested in joining our Biscovey family.
