

Welcome to the last newsletter of this half term. We have had a great start to the spring term. We hope you all have a lovely half term break and look forward to seeing the children when they return.

Safer Internet Day 11th February

Safer Internet Day is a great opportunity to spark a conversation about the safe and responsible use of technology, and to inspire young people to create a better internet for the future.

What can you do as a parent to help educate your child?

- Talk regularly with your child about how they use technology and about being respectful online.
- Know how to use the tools and setting to help protect your child online.
- Ensure your child knows what to do if they come across inappropriate content.

For more information and other ways to support your child to be safe online, please visit <https://www.saferinternet.org.uk/>
